### Stylish Metal Border

This tutorial will teach you how to create stylish metal borders that you can use for your signatures!  
A very great tutorial for the guy/girl that wants to start simple...

### Stylish Border

Style up your signatures with this metal border!

-

Step 1 Open up a picture you like or create a signature of your liking;

-

Step 2 Press Ctrl+A, Ctrl+C ;

Open a new document (leave the sizes untouched) and press OK;

Press Ctrl+V;

Create a new layer;

Grab the Polygonic Lasso-Tool and make a funny shape that looks like mine;

-

Step 3 Press Ctrl+Shift+I;

Fill the shape with WHITE;

Press Ctrl+D;

Now add these setting to the layer;

-

Step 4 Add some text and you're done...
